9000 Students in Fall

Gov. Knight Signs Increased Budget

It's finally a certainty—SJS will have more than 9000 students on campus come September.

This became final Saturday when California Governor Goodwin J. "Goodie" Knight signed the record breaking 1955-56 budget. SJS's chunk of the appropriation, which will enable 8510

full-time equivalent students to enroll, is \$4,469,613.

"We hope we can take care of all students who want to come," College President John T. Wahlquist said late yesterday. "We used many different angles to estimate the enrollment to be 8510 FTE, and we hope we are right. But we may miss," he said.

Governor Knight originally asked for a budget to provide for 7400 FTE students. The SJS request for 8510 FTE students, which tops the governor's number by 1110, received the final legislative approval May 25 by the Senate.

Letters have been sent to junior colleges and high schools whose students usually come to SJS informing them what admission priorities have been set to keep enrollment to the estimated figure.

The system is: First priority is given to students now enrolled at SJS. Second, junior college transfers who have completed two years of work.

Third, students desiring vocational training (such as teacher education, police administration, engineering, industrial arts). Fourth, high school students who plan to take a four year course of study. Fifth, limited students.

Admission standards for high school students are they must have seven recommending units (A's or B's in seven classes during the last three years of high school) or from five to seven recommending units and get 20 percentile or above on a special SJS personnel test, according to the Admissions Office.

In order to find room for this increased student body seven per cent of the fall classes will be held in the late afternoon (after 4 p.m.) and evening, according to Dr. Wahlquist. These classes are open to regular day-time students as well as limited students.

This year the FTE average is 7100 according to the latest figure.

Stores Help In Promoting Homecoming

There will be window displays with the Homecoming theme in downtown stores for next fall's Homecoming celebration, Joe Vallenari, committee chairman, announced at yesterday's meeting.

The Merchants Association is cooperating wholeheartedly with the college for the event which is scheduled for Oct. 22, Vallenari said. Vallenari and Jerry McCarthy, parade sub-committee chairman, will meet with a representative of the Merchants Association early next week to discuss window displays.

Letters with the new Homecoming float rules were scheduled to be sent last night to organizations. Organizations must indicate to the committee, through organization box "H" in the Student Union by June 6 whether they wish to group to build floats. The drawing to determine who will combine will be held June 7. Selection will be from those who indicated a desire to group.

It was decided at the meeting that selection of the Homecoming Queen will take place between Oct. 3 and 13 under the chairmanship of Jan Heter.

Ski Team Question To Be Discussed

To have a ski team or not?

This question will be put before the Student Council today at 2:30 p.m. in the Student Union with a recommendation from the Athletic Advisory Board saying "let's have a good one or none at all."

It is estimated that to operate a team it would cost \$2500.

Juniors Cancel Picnic; Couldn't Find Patrons

The Junior Class picnic scheduled for tomorrow has been called off. Difficulty in obtaining patrons for the outing was blamed, according to Bob Lindsey, class president.

"As such dates are planned in advance in order to arrange for the required patrons, previous postponement due to poor weather left us in the position of getting someone in a hurry to fill in," Lindsey stated.

Snow cones will be on sale at the Junior Class booth in the Outer Quad today from 11:30 a.m. to 2:30 p.m., Joanne Leise, chairman, announced.

SENIOR WORK DAY

Seniors will have a work party this afternoon to make preparations for Senior Week activities, according to Pat Spooner, class president.

The seniors will meet at 3:30 p.m. in Room 127 to assemble bids for Senior Ball, get tickets ready for Senior Day and work on the programs for the Senior Banquet, he said.

"We would like a lot of other seniors to come in and help us," he said.

Senior Week begins with the Senior Ball June 10 at Bay Meadows Turf Club. Jerry Gray's "Band of Today" will play for the dance which is open to the entire

student body. The dance, from 9 p.m.-1 a.m. is formal with dinner jackets and dark suits permissible.

Other Senior Week activities are Baccalaureate Sunday, June 12; Senior Brunch, June 13; Senior Day, June 14; Parents' Reception, June 16; Senior Banquet, June 16; and commencement June 17.

SOPHS END MEETINGS

The last meeting of the year of the Sophomore Class Council was held yesterday, mainly to clear up all old business and to make final plans for the Frosh-Soph Mixer.

Bruce Bush, class treasurer, announced that the class has \$230 in its treasury, which will be carried over to next fall.

President Larry Conterno thanked the council for the cooperation and interest they have shown in class activities throughout the school year. "I hope to see you all back on council again next fall," he said.

No Charge Yet In Beer Case

No complaint has been filed as of late yesterday afternoon against the two business administration majors whom police arrested May 20 for allegedly selling beer to the Pushcart Relay crowd.

The two, John Howard Burgess and Donald Edwin Lindstrom, are free on bail and have been ordered to appear in Municipal Court tomorrow at 2 p.m. However, according to the Municipal Court clerk's office, the students cannot be arraigned unless a complaint is filed by the District Attorney's office.

According to the District Attorney's office, what charges, if any, to be filed against the students, have not been determined and the matter is still under investigation.

Fiester Will Direct Concert

The Symphonic Band, directed by Dr. Robert W. Fiester, will be presented by the Music Department at 8:15 o'clock tomorrow evening in the Concert Hall.

"Die Fledermaus" overture by Strauss will open the program, followed by Handel's "Water Music Suite." With Dan Livesay, trombone soloist, the band will play the seldom-heard "Morceau Symphonique" by Guillard.

Rimsky-Korsakov's overture to "The Tsar's Bride" will precede the intermission.

The second half of the program will open with Aaron Copland's "Lincoln Portrait" with Richard Styles as narrator. This will be followed by "Soirees Musicales" by Rossini-Britten and the finale of Symphony No. 5 by Shostakovich.

'No Outside Talent' Says P.R. Chairman

Outside entertainment for student body rallies and similar functions "would be against college policy," said Public Relations Committee Chairman Jerry McCarthy yesterday following a consultation with Dean Stanley C. Benz.

The committee had contemplated having professional entertainment at a student body activity next year.

McCarthy stated that, through the efforts of the Litter-bug Committee, the problem of students throwing waste paper and refuse on private property adjacent to the college has been eliminated.

"No complaints have been received in the last week and a half," McCarthy commented.

Seeing the situation arising again next year with the newcomers at SJS, he added, "It's up to this committee to start hitting it again next year."

'57 Centennial Budget Studied

The centennial committee, under Dean Joe H. West, will continue consideration of the tentative budget for the 1957 events at a meeting in Room 19 today at 3:30 p.m.

A report by Dean West on the recent COP conference will be given. Dr. Karl D. Ernst, chairman of the Fine Arts Division, Dr. Dwight Bente, chairman of the Journalism and Police Divisions, and Lowell C. Pratt, public relations officer, accompanied Dean West to the conference to learn how COP's 1951 centennial was executed.

The reports of sub-committees will be considered.

Wahlquist who will welcome the visitors. College administrators and department heads will join the businessmen at the luncheon.

Following the meal, student guides will take the C of C on a tour of the three new buildings housing the Music, Engineering and Speech and Drama Departments.

The final dinner meeting of the Women's Faculty Club will be held at 6:30 p.m. June 8 in the social hall of Trinity Episcopal Church, 2nd and St. John streets.

Wilcox has been in the insurance field for seven and a half years and is one of the leading salesmen in the San Jose area, according to Dr. Milburn Wright, professor of business. Time was devoted to making the demonstrations and to answering questions of the students.

This is the first in a series of demonstrations to be given to the salesmanship classes this spring, Dr. Wright stated.

Internships

Agnew Head Nurse Addresses Psych Majors on Mentally Ill

Mrs. Agnes Elmer, superintendent of nursing services at Agnew State Hospital, recently spoke to a group of psychology majors on internships at Agnew.

Mrs. Elmer stated, "We in the mental hospital services are acutely aware of the increasing number of mentally ill entering our already overcrowded hospitals. California alone has over 50,000 mentally ill patients. Agnew receives up to 30 patients a day; more patients than many general hospitals admit in a month."

She went on to say, "Over 50% of all hospital beds nationally, are occupied by mental patients. When these statistics are converted into dollars and cents, we find that it costs over \$1200 a year per patient for hospitalization. This does not begin to encompass the cost due to the loss of earning power and the loss to society who generally would have the use of and returns from the capabilities of these people."

"Our nation cannot support the facilities needed for the care of these patients if the present rate of commitment continues. We must

find answers other than confinement. Obviously, we must find answers which develop new techniques for treatment and cure, and these new techniques must stem from research. We at Agnew welcome research into the problem of mental illness, and it is here that you who are trained in the area of psychology are most needed," Mrs. Elmer emphasized.

"Dr. Arthur Burton, chief psychologist at Agnew, indicated his need for students to do research work. His parting remark to me when I left to come here tonight was, 'Can you see if they can send me about six psychologists?'"

ISO Holds Meeting To Elect, Dance

International Students Organization will meet tonight in the Studio Theater at 8 o'clock to elect officers for the fall semester, according to Marilyn Harder, ISO representative.

Dr. Wallar will show slides of his climb up Mt. Baker in Washington. Mt. Baker is 10,500 feet above sea level on the coast, he said. Six thousand feet of the climb is glacier.

Delayed Track Meet on Tap For Saturday

The San Jose State All-Comers track meet, originally scheduled and rained out on May 7, will finally come off Saturday. Coach Bud Winter expects even more than the 300 entries for the original meet to be on hand, since this will be the only open meet scheduled for the area this weekend.

This will be the first action in two weeks for most of the Spartans. Several trackmen, led by Don Hubbard, who set a new school record with a 9:33.4 two-mile, competed unattached in the annual Caldonia Club Track Meet in San Francisco Sunday.

In addition to Hubbard, Quentin Manchester won the high hurdles in 15 flat; Gene Antone took the 440 in 51 flat; Chuck Hightower placed second in the pole vault; Bob Heckes took third in the shot put; and fourth in both the hammer throw and the 56-lb. weight throw; Duane Ludlow ran third in the 10,000 meters; and Herb Stockman ran second in the handicap mile.

The All-Comers meet is open to any individual. There will be no team scoring, and the competitors will be matched in various divisions according to their abilities. Trophies will be awarded to the outstanding performer and the individual high point scorer.

Early entries are headed by javelin world record holder Franklin (Bud) Held. Held holds the Spartan Field record of 249-5, set earlier this year in a triangular meet between SJS, the Olympic Club and the Santa Clara Youth Center. He broke his own world record by throwing the spear 268-2 at Compton recently.

Many entries have been received from Parks Air Force Base, the Olympic Club and Fresno State, and Winter expects several unattached greats to compete in preparation for the NCAA and AAU meets coming up in the next three weeks.

Phi Sigs Cop Win; Playoffs Set Back

Phi Sigma Kappa, behind the brilliant one-hit pitching of John Campbell, took the American League crown by walloping Pi Kappa Alpha, 16-1, in intramural softball action yesterday. The Fugits got a share of the International League crown with a forfeit victory over the AFOTC. The Fugits and the Veterans Club ended the season with identical three win, one loss records.

Playoffs, originally scheduled to start today, will start either tomorrow or Monday. Wade Wilson, student intramural director, announced that Alpha Tau Omega, Lambda Chi Alpha, the Fugits and the Veterans Club should send representatives to the Men's Gym today at 12:30 to decide second places in the American and International leagues.

Campbell struck out eight batters, including the first seven men he faced, in leading the Phi Sigs to their fourth consecutive win of the season without a loss. He allowed only one hit, ironically a single by opposing pitcher Perkins.

The Phi Sigs won the game in the first inning, when they pushed over five runs on two hits and several walks. They exploded again in the third for four runs on three hits.

The Phi Sigs saved their biggest inning for the last, when they pounded out a single, three doubles, a triple and a homer.
